Arab Reform Initiative

About Arab Reform Initiative

The Arab Reform Initiative is the leading independent Arab think tank working with expert partners in the Middle East and North Africa and beyond to articulate a home-grown agenda for democratic change. It conducts research and policy analysis and provides a platform for inspirational voices based on the principles of diversity, impartiality and social justice.

- We produce original research informed by local experiences and partner with institutions to achieve impact across the Arab world and globally
- We empower individuals and institutions to develop their own concept of policy solutions
- We mobilize stakeholders to build coalitions for positive change

Our aim is to see vibrant democratic societies emerge and grow in the region.

Founded in 2005, the Arab Reform Initiative is governed by a Plenary of its members and an Executive Committee.
